INVESTOR CONNECT

The most difficult part of raising money is often just getting time to sit down, one on one, with the investor, and sharing your story. If you are an entrepreneur looking for capital to fund your company then sign-up for Investor Connect! A select group of cleantech focused angels, VCs, Corporates and Foundations will select from the group of applicants for an intimate conversation about investment. This will be a private session focused on giving the entrepreneur the chance to share their company's story and make a personal connection to the people who make the decisions.

4:30 – 6:00 PM
DIAMOND FOYER + SALON 4

RECEPTION

Join us at one of the networking receptions at the end of the conference day if you interested in networking, collaboration, and intense conversation about the cleantech industry. The hosted receptions will include complimentary drinks and hors d'oeuvres, and will provide attendees with the opportunity to mingle and meet potential business partners, customers, and finance professionals.

VIP DINNER

This is a unique opportunity for conference attendees to have a private dinner with a select group of the conference speakers, promising entrepreneurs, cleantech investors, business leaders and international policy leaders. This gathering of regional, national and international leaders — who are actively shaping global policies and markets—promises to be a night of interesting dialogue and an intimate networking opportunity after the close of Day 1 of the conference.

The GloSho VIP Dinner will be in the Conga Room Restaurant, in downtown LA's premier entertainment complex, L.A Live. The dinner will include a short program of featured speakers in attendance.
